JUDGE TIMOTHY L. VOCKE
Chair

KEVIN J. KENNEDY
Director and General Counsel

NOTICE OF PUBLIC MEETINGS

Wisconsin Election Administration Council

11:00 a.m. to 1:00 p.m.

Thursday, September 19, 2013

Public Demonstration of Voting Equipment

5 p.m. to 7 p.m.

Thursday, September 19, 2013

Both meetings will be held at the

Ozaukee County Administration Center

Auditorium

121 West Main Street

Port Washington, WI 53704

There will be a PUBLIC DEMONSTRATION of Dominion Voting System's Ballot Station 4.6.4D voting equipment at the above time and place. This equipment is being tested and considered for approval by the Government Accountability Board.

The G.A.B. is testing two pieces of Dominion Voting Systems software and equipment:

- Ballot Station 4.6.4D Software for AccuVote-TSX (Touchscreen Voting System)
- New Memory Card for AccuVote-OS (Optical Scanner)

This is not a new voting system. This Ballot Station 4.6.4D will update the AccuVote-TSX, a touchscreen voting system already in place in many counties, and the new memory card is a replacement part for the AccuVote-OS, a currently operating optical scanner.

The Wisconsin Election Administration Council (WI-EAC) will also meet at the above time and place to view a demonstration of the software and equipment.

Under Administrative Code Chapter 7, the Board may use a panel of local election officials and electors to assist in the review of the voting system. The Board is asking the WI-EAC, created pursuant to Wis. Stat. § 15.607, to serve this purpose. WI-EAC's input will be made part of staff's recommendation that will be submitted to the Board for consideration at its October 22, 2013 meeting.

The demonstration and WI-EAC meeting are open to the public.
